

Copperas Cove Meet of Champions

In addition to Bulldawg Relays, Copperas Cove will be hosting a track meet that will spotlight some of the top athletes throughout Central Texas. We are hoping this meet will help prepare every ones track athletes for two day District and Regional Meets.

Thursday, March 31 will be the 3A, 2A, and 1A divisions of both boys and girls. The top four finishers will receive medals and will qualify for the finals on Saturday. The top 8 finishers in all field events and the 800, 1600, and 3200 will qualify for the finals on Saturday. Finals will be a great opportunity for smaller schools to showcase individual athletes against larger school competition. Many small schools have track athletes that play baseball and softball games on Fridays and this will hopefully accommodate them.

Friday, April 1 will be the 5A and 4A divisions of both boys and girls. The top four finishers will receive medals and qualify for the finals on Saturday. The top 8 finishers in all field events and the 800, 1600, and 3200 will qualify for the finals on Saturday. Saturday will have one combined division of boys and one combined division of girls. Field Events distance races will have 16 competitors in each division and all other races will have 8 in the finals. Medals will be awarded on Saturday as well. Entry fee will be \$110 for each division or \$220 for boys and girls. If you have less than eleven athletes in a division then you may pay \$10 per athlete. If you would like to reserve your spot at Copperas Cove Meet of Champions please email Head Boys Track Coach Keith Stifflemire at stifflemirek@ccisd.com to confirm entry.
