Special Tall City Relay Invitations will be sent to teams from El Paso to Dallas, from Amarillo to Brownwood... and everyone in between! If you receive an inquiry about our Tall City Relays, and a team did not receive an invitation from MISD Athletic Dept., please contact our office right away. We appreciate your help!

Attention:

*All participants must use 6mm size spikes or smaller. Pyramid or Christmas tree style spikes will have the best performance on the new Super X Mondo surface. Pin or needle spikes are **NOT** allowed. Any participant who does not abide by this rule will be automatically disqualified.*

Why Bring Your Team to the Tall City Relays in 2011?

- The fastest high school Track & Field surface in the country – over 200+ World Records on the Mondo Super X running and jumping surface.
- One of the first two day Track & Field competitions of the track & field season.
- Early preparation tool for potential overnight stays like the District, Regional and State track meet.
- The Tall City Relays staff is committed to producing one of the best, high quality Track and Field meets in Texas.
- We invite you to “Try” the improved Tall City Relays – as we build one of the top meets in the state!
- Plenty of dining and hotel rooms to reserve during your Midland stay.

Tall City Relays are FAST!

We look forward to having you and your team join us on March 4th & March 5th for the Tall City Relays. Please sign-up today!
