

Zephyr Jr. High School  
Ribbon Relays

March 5th, 2012

We would like to invite your junior high teams to the Zephyr Jr. High School "**RIBBON RELAYS**." The meet will be held on March 5th, 2012.

There will be a boys division and a girls division. There will be a short meeting in the field house at 3:00 for last minute instructions and answering questions.

**FIELD EVENTS:** Start at 3:30. Each participant is to show up at the event he/she is to participate in and sign up. The height events will start promptly and the bar will not be lowered. The distance events can be completed at any time. Field Event Awards for the top 6 finishers will be available at the end of the meet in the field house.

**2400:** Start at 4:30. Runners will have to be at the start line before or they will miss the race. They will have to complete field events before or after the race. It is possible that the girls and boys will run together depending on the number of runners.

**RUNNING EVENTS** (except the 2400): Start immediately following the field events. Each runner is to show up at the event and will be assigned a lane. The start clerk will try to balance the number of runners per heat as best as possible. The clerk will also ask the runners for the faster runners to step forward for the earlier heats. **If the field events are not finished by 6, we will go ahead and start the running at that time. If a participant needs to go to a running event, he/she should inform the event worker and he/she will be allowed to finish the field event after the running event.**

**TIMING:** If you want a time for your participant, you will need to time them. Since we will not be awarding race winners, there is no need for us to time the races.

**AWARDS:** Awards for each heat will be awarded at the conclusion of the heat. There will be no overall race winners, only heat winners. Participants will have to be ready to go because it is likely that more than one heat will be going at the same time.

**ENTRY FEE:** \$60 per team.

**Concession:** We will have a concession stand that will offer a meal deal for your teams if you are interested. Please contact us beforehand if possible with the approximate number of meals needed, so our booster club can order accordingly.

This will be a fast paced meet. Participants will have to remain close to the starting line once the running starts or they will miss the events. We look forward to having your teams participate in our meet.
